Madison Women in Tech Annual Job Fair

## Connecting local employers with diverse women and nonbinary candidates from the greater Madison area

Thursday, Aug. 22nd | 10am to 2pm | UW Memorial Union, Great Hall

Are you hiring, and looking to reach underrepresented candidates?

The Madison Women in Tech Annual Job Fair attracts people seeking work across a wide variety of experience levels and job titles. On average, more than a third of attendees are people of color, and all attendees are women or nonbinary people.

The job fair is held in conjunction with technical conference DevFest WI and the Forward Festival, Wisconsin's largest tech and entrepreneurship festival.

How to participate

We offer two participation tiers for the job fair, outlined below:
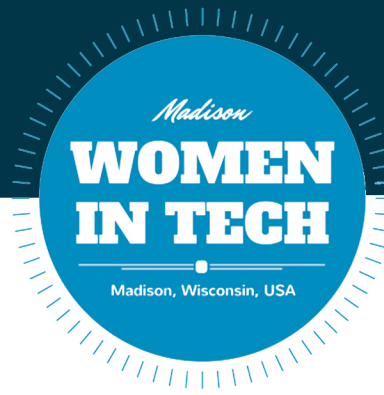

SUPPORTER LEVEL: $100

Includes:

• Table with white tablecloth and two chairs
• Access to power

ADVOCATE LEVEL: $200

Includes:

• Table with white tablecloth and two chairs
• Access to power
• Company name and logo included on promotional materials:
    - Forward Fest event page
    - DevFest WI website
    - Madison Women in Tech website
    - Madison Women in Tech Meetup site
    - Madison Women in Tech social media
    - Featured in up to 8 editions of our online newsletter (1,000+ subscribers)

Participating is a win-win

If you choose either the Advocate or Supporter level, you're not just getting access to a pool of diverse candidates, but also financially supporting our volunteer-run organization. Funds raised are used for speaker fees, materials, administrative costs, and other incidentals.

Testimonials

"Having a blast meeting amazing people at the Madison Women in Tech Career Fair!"

SMART SOLUTIONS

"It was an incredible opportunity to connect with passionate and talented individuals in the tech field."

UW-MADISON JOB ROTATION PROGRAM

"Kudos to Madison Women in Tech for hosting a wonderful career fair today! And thanks to all the talented attendees who took time to stop by and discuss IT careers."

About Madison Women in Tech

Building community and creating change for women and nonbinary people in tech

Madison Women in Tech is a supportive, inclusive community of women and gender nonbinary folks working or interested in technology, from designers to programmers to recruiters to students. Through regular events and a digital newsletter, we empower and elevate women and nonbinary people in Madison's tech scene.
